Computer Accessory Recommendations (Small ticket items)

Chris Gorrell - 2022-10-13 - Public

Computer Accessories that IT Does Not Stock

Office Manager or Campus Director can place an order using Amazon, Staples, or other vendors. Ruth can also help with these orders.

iPad Pro accessories are most of the time specific to the generation of devices. A check of the serial number should be done to see what generation it is and then we can recommend something (campus personnel can do this also).
